

Yet another Badge of Honor for Public Safety Personnel

The Knights of Columbus established the Francis P. Matthews and John E. Swift Educational Trust Fund to provide scholarships for sons and daughters of members in good standing who died or became permanently and totally disabled *as a result of criminal violence while in the lawful performance of their duties directed at them as full-time law enforcement officers or full-time firemen*. This fund which is subject to certain restrictions provides Catholic College Scholarships so that these children can attend college without being concerned with the financial ramifications.
